## **ii. Executive Summary**

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

### **1. Summary of Policy or Program Changes for the Upcoming Year**

The Carver County HRA policies governing public housing have been revised this year to include the information provided by HUD in their sample Admissions and Continued Occupancy Policy released in June 2003. None of the essential elements of our previous policies were changed, they were just incorporated into the sample ACOP provided by HUD. The Carver County HRA did add a clause regarding Voluntary Impoverishment as follows: "Voluntary impoverishment by a household in order to obtain benefits or to increase benefits is an abuse of a welfare program, which is intended for the truly needy. When the reason for unemployment is apparently within the household members own control, so that to some degree the immaturity of their actions has been compounded with actions that are less than appropriate and show poor judgment. When the household member has caused their own discharge from work and the reason they are not eligible for unemployment compensation is because of their conduct, the PHA will not process an interim reexamination and recalculate the family share of rent."

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

A substantial deviation is a decision made by the Board of Commissioners to change the PHA's Mission statement, goal, or objectives identified in the 5-Year Plan. It is also when goals or objectives are changed that affect the residents or have a significant impact to the PHA's financial situation.

#### **B. Significant Amendment or Modification to the Annual Plan:**

A significant amendment or modification is a change in PHA plans or policies that require formal approval by the Board of Commissioners.
